
The OFI Monthly

◆ July 2026 ◆

Just as sunshine helps a garden flourish, strong connections help our people, teams, and organization thrive.

Friends,

As we welcome July and the heart of the summer season, we're reminded of the energy, growth, and opportunities that come with longer days and brighter horizons. Summer is a time when many of us pause to appreciate the relationships that enrich our lives, and at Omni Family Institute, it serves as a meaningful reminder of the connections that strengthen our business every day.

One of our greatest priorities continues to be building and nurturing strong partnerships. The trust, collaboration, and shared vision we have with our partners create the foundation for our success. Together, we are able to solve challenges, seize new opportunities, and create greater value than we could alone.

This season also marks the beginning of exciting new pathways for our organization. As we continue to grow and evolve, we are exploring new opportunities and expanding the ways we serve our customers and communities.

As we move through the second half of the year, we remain focused on strengthening connections and working together to achieve meaningful results. We look forward to what lies ahead and are excited to continue this journey alongside our valued partners.

Thank you for being an important part of our story. We wish you a wonderful summer filled with connection and inspiration.
